

PLACEMENT CELL

The objective of the placement cell is to identify the talents available among the students of the college; nurture and harness them further and offer guidance to choose a bright and right career. Placement cell helps the students with appropriate guidance to establish linkages with the world of work and locate career opportunities.

The placement cell conducts seminars for the personality development, awareness about different services and communication skill development. The cell also invites reputed companies to the campus to conduct tests and interviews and facilitate the students to get suitable jobs for the skills available among them. The cell also facilitates the economically weaker sections of the students of first and second year undergraduate courses to find suitable part time jobs to supplement the family income without affecting their academic pursuit.
