**ANNUAL REPORT**

**2024-25**

**ANNUAL GENERAL MEETING**

The annual general meeting was held on 21.07.2025 The meeting was attended by all the members of the society.

After welcoming all the members, worker and guest the secretary, of the organization requested the chairman to take the chair so that the meeting may be started.

The chairman further emphasized upon the significant achievements of the society during the period and talked about the further plans of the society. The achievements of the society during the consideration were in form of successful implementation and handling of the program as below.

**1. YOGA PROGRAMME**

The Society has organized Yoga camp at State level. The objective of such programme is to create an institutional platform right up to the village level where the youth can articulate their views on various issues the draw attention of local administrations and concerns effecting their lives. The platform was also used motivate participant to organize YogaCamps and demonstrations in their respective Village. The programme begun with one hour Yoga session which encompasses lecturers on benefit of yoga, demonstration of Yoga practice as per common Yoga Protocol.

**2. WATER AND SANITATION PROGRAMME**

Drinking Water, Sanitation & Hygiene Awareness Programme was organized by the society. The main aim of the society is to provide pure and clear water, so the wells, tube wells & pond were cleared by the help of the members of the society. The members of the society aware the public about water which they use and society also has been very active in the field of raising awareness about good sanitation facilities in the slum areas.

**3. CULTURAL PROGRAMME**

Reduction in the cultural values has posed threat for our tradition and culture. The western civilization and their culture has not only affected the metro cities but, their impact can be witnessed now a days even in the smaller cities and

towns. There is an urgent need for the learned members of our society to come forward to prevent erosion in our cultural, tradition and ethical values.

The society as and honest attempt to safeguard the social values a cultural programme was organized by the society. On this occasion different kind of dance and other cultural programme was organized by the society. The performers were the school going children from the different school of the area. Programme showed the rich cultural heritage of the various state of India. At the end of the programme prize were distributed among the good performers.

#### **4. ROAD SAFETY PROGRAMME**

Every year in India about 150000 people are killed and 500000 injured in approximately 500000 road accidents. The working age group of 18-60 years account to about 85% of road accident deaths injuries and particular those related to road crashes. Road safety is a complex issue of concern considering its magnitude and gravity and the negative impact on economy, public health and the general welfare of people, particularly those with low income. Although various road safety programs are being implemented these have not had required impact and the no. of road accidents and fatalities continue to rise. Society has organized various road safety awareness programs involving grass root level communities, empowering and enabling to take responsibility of their own safety as well as other road users.

#### **5. COMPUTER EDUCATION PROGRAMME**

Its widely accepted that we are living in an increasingly digital world and the role of software in our life is becoming critical whether it is in booking of train ticket, banking using search engine for getting information communicating friends political parties and NGOs using net of campaigns individuals participating in professional and social networks. Software is a basic building block of the digital world and structure our social interaction. The main aim of the society is to reach out to all the children from disadvantage background which don't have opportunities for an exposure to IT like the other children. The focus of program was on availing the less privileged children who get less access to the IT training in professional institute.

#### **6. HEALTH AWARENESS CAMPAIGN**

An awareness generation programme aimed at making women aware from about their health needs and nutrition was organized by society at District Maharajganj. This programme was organized by the rural women in large

number and it felt by the attendant that this kind of programme are very useful in villages where women were aware about their health need very low. Further they were informed about various kind of schemes formed and executed by the different Govt. Department for welfare of the women either. It is in education employment or technical audience etc.

#### **7. ENVIRONMENTEL AWARENESS PROGRAMME**

The society organized a camp at District- Maharajganj on world Environment day to discuss the impact of growing pollution on the human health and environment. The eminent speakers discussed the tractors lending to increase in all type of pollutions including water air and sound pollution. increased used of plastics and polythene bags have brought untimely and painful deaths to thousands of animals across the country. Polythene its impact on the living being was main topic for discussion on the occasion of the world environmental day this year. The participants of the programme were informed about the willful effects of the use of polythene which have become part and parcel of the everyday life. Further the participants agreed to prevent the use of polythene and to further raise awareness about the issue.

#### **8. VOCATIONAL AND HANDICRAFT TRAINING PRORAMME**

One of the important activities of the society has been the promotion of handicraft. Handicrafts provide livelihood to a large number of people across the country particularly the people who are low educated but have goog skill to create beautiful things using their imaginary capacity need to be encouraged to come forward. This can be done only if carrying out such activity result in some economical benefit to these artists. The economic benefits his society is extending to the artisans. The society provide raw materials to these artisans and gets the handicrafts products ready and then sale them in the market using its own network and marketing system.
